

Superior Shutters

Manufacturer of COLORBOND® steel and aluminium sun-control, privacy and fencing solutions for residential and commercial properties Australia-wide.

Superior Shutters

The ultimate in quality and style choice for privacy, shade, security and airflow control. Add the wow factor to your home with sensational, custom-designed shutters.

Why Superior Shutters?

Quality and durability

- Certified cyclone-rated shutter option
- Marine grade stainless steel tracking
- UV stabilised nylon for non-metal parts
- Made to Australian and New Zealand standards

Create the look you want

- 6 standard colours including 'cedar look' or powdercoated in your choice of colour
- Custom made to your specifications
- Made locally with short manufacture time
- Unique all-in-one adjustable rail for exact height
- Choice of blade sizes
- Fixed, bifold, sliding or hinged options
- Keyable locks handles, patio bolts or flush bolts
- Shutters can be raked
- Can be used internally or externally

Sit back and relax

- 7 year warranty on finish, 2 year warranty on fabrication (conditions apply)
- Low maintenance

Peace of mind

- Control your light, ventilation and privacy
- Secure, lockable barrier against intruders
- Convert your patio into a cool, insect-free oasis with the flyscreen option

Applications

Screening for patios, decks, carports, windows and doors.
