

Clik'n'Fit™ Fencing & Gates

Manufacturer of COLORBOND® steel and aluminium sun-control, privacy and fencing solutions for residential and commercial properties Australia-wide.

Clik'n'Fit™ Fencing & Gates

Clik'n'Fit™ Fencing & Gates is a revolutionary design for the DIY

handyman or professional tradesman creating fast, economical

and durable fencing with a sensational look!

Why Clik'n'Fit™ Fencing & Gates?

Quality and durability

- 100% Australian made for harsh Australian conditions
- Made from world renowned COLORBOND® steel
- Extremely durable and corrosion resistant

Create the look you want

- Flexibility in design with mix of solid COLORBOND® sheet and slats
- Available in a wide range of contemporary colours to match your home
- Can be installed as a standalone fence or screen, fencetop or infills for brick piers

Choice and flexibility

- Matching gates available
- Custom panel sizes available
- Available as a Do-It-Yourself system
- Utilises all universal COLORBOND® post and rail systems
- Your existing COLORBOND® fence can be retrofitted for a fresh new look

Sit back and relax

- No maintenance apart from a regular wash
- No painting
- A professional installation service is available

Applications

Perimeter fencing, pedestrian and driveway gates, patios, carports and amenities screening.
