

Superior Louvres

Manufacturer of COLORBOND® steel and aluminium sun-control, privacy and fencing solutions for residential and commercial properties Australia-wide.

Superior Louvres

Control your air-flow, shade and privacy with these sleek and versatile designs. With so many styles and colours to choose from you can create a look as unique as you are!

Why Superior Louvres?

Quality and durability

- Made from COLORBOND® steel or powder-coated Aluminium

Create the look you want

- Large COLORBOND® and powder coat colour range
- Choice of 8 Designer timber look finishes
- Some profiles available in Stainless Steel and Zincalume

Choice and flexibility

- Adjustable or fixed louvre blades
- Panels fixed, sliding, hinged or bifold
- Custom made for a perfect fit
- Complete flexibility in slat size, shape and configuration
- Unique patented products and designs available

Sit back and relax

- No maintenance other than a regular wash
- No painting required
- A professional installation service is available

Peace of mind

- Complies with council privacy regulations
- Engineered for sun-control, airflow privacy and security
- Screens reduce radiant heat making it an energy efficient choice
- Provides a secure barrier against burglars

Applications

Screening for fencing, gates (including automated), gables, awnings, decks, patios, carports, windows, air-conditioners and refuse areas.
